

WORTHING REPORTS ON OPEN CHURCHES WEEK 2011

The Art & Jewellery Exhibition weekend,

Co ordinate by our Local Artist Jennie Thorneley

formed part of the Elmham Benefice Vintage Bush Tour Programme of events where around 175 visitors

came to Worthing to view and purchase exhibits
enjoy the wonderful wild flowers in the churchyard and of course to see for
themselves the recently renovated Saxon Round Tower

carried out by C G Builders of Beetley

The weekend closed and visitors began their return home on the “1959 Bristol MW5G Bus”.

Everyone had a busy but delightful weekend and our thanks go out to all our volunteers and helpers who contributed to making this a very successful weekend.

Thank you.
